1. SCOPE

- 1.1 This policy provides students with clear guidance on the procedure that should be followed when written correspondence regarding patients is required to be produced within the University College of Osteopathy (UCO) General Clinic.

2. POLICY DETAILS

- 2.1 Ascertain the exact reason for the requirement for the correspondence; this will probably fall into one of the following categories:
- Referral to patient's GP or other medical agency
 - Confirmation of patient's status to employer, Department of Health or other agency
 - Request for alterations to patient's work environment
 - Request for medical history, test results or other information from patient's GP, consultant or other therapist
 - Acknowledgement of referral to a UCO clinic (see end section for more detail)
- 2.2 Advise the patient of any charge which may be levied (charges are recorded at the end of the document). Chargeable letters will not be posted until payment is received.
- 2.3 Obtain the patient's written consent by completing a UCO Disclosure of Information Form (available at reception). ALL correspondence requires written consent, to comply with data protection and confidentiality. This includes patients who collect letters themselves from the UCO clinic.
- 2.4 Take a photocopy of the Disclosure Form. The original is to be placed in the patient's file and the photocopy is to be sent in accompaniment with the letter.
- 2.5 Prepare a draft of the letter using the appropriate letter template, which can be found via the 'letters' button on the patient's record on TM2. Any staff or student who has access to TM2, can access this, not just the student that the patient is booked in with.
- 2.6 Letter templates can be found in TM2; there is also a copy at the end of this policy.
- 2.7 The final content and layout of the letter should be finalised with the assistance of a Clinic Tutor.
- 2.8 Particular attention should be paid to:
- Correct spelling of names and addresses
 - Correct date of birth
- 2.9 Include sufficient detail of the complaint (onset, relevant examination findings, diagnosis, response to treatment and reason for referral, including if appropriate your suggested course of action) to allow the recipient to understand your intention. Try not to exceed one side of printed A4 paper and avoid appearing demanding or hostile.

- 2.10 Ensure the 'Address any queries.....to the Reception Manager' paragraph is present and the correct reference includes the supervising Clinical Tutor's name at the top of the letter.
- 2.11 Agree the letter with your Clinical Tutor then print one copy; a Team Leader will then be required to sign the printed letter.
- 2.12 Once the letter has been signed by the Team Leader a photocopy must be taken. This photocopy must then be placed in the patient's file alongside the original copy of the UCO Disclosure Form.
- 2.13 Under NO circumstances are letters to be typed using Word Documents and saved on the Team Point PCs. These actions are considered to be in breach of data protection and confidentiality laws, as the UCO Tutorial Point PCs are public computers. Anyone found to be in breach of this instruction will be reminded of the protocol. Persistent offenders will be asked to account for their actions and this may lead to a Student Fitness to Practice investigation.
- 2.14 Take the signed, completed letter with the full patient file and the photocopy of the UCO Disclosure Form to the Reception Team, who will log the letter and arrange for it to be posted.
- 2.15 Should it be necessary for the patient to take away the completed letter immediately; advise the Reception Team of this, so the necessary log may be completed. If a patient needs to be sent to Accident and Emergency, then there is a short form for this purpose so that the key information can quickly be collated for the medical staff at the hospital. A UCO Disclosure of Information Form must be completed.

3. LETTERS OF ACKNOWLEDGEMENT

- 3.1 As a general rule, any patient attending the UCO clinic as a result of an external referral should prompt a letter of acknowledgement or thanks to the referrer.
- 3.2 As well as being a common courtesy, such a letter is a good advertisement for the professionalism of the UCO clinical centre and its practitioners and for osteopathy. All such letters should conform to the preceding guidelines and appropriate templates are found under 'letters' on TM2. Only brief, relevant clinical details are required.

4. CHARGES FOR LETTERS

- 4.1 Typical charges are set out below although there is some discretion with these:
 - a) Case History Letters: £ 30 - £ 150
 - b) Photocopy of File: £ No Charge
 - c) Letters to Employer: £ No Charge
 - d) Itemised Receipt: £ No Charge
